1. Services on the Library Website

① User Guides

You can check basic information about the Kobe University Library.

② About the Library

Kobe University Library is composed of nine libraries. From here you can see the detailed information about each library.

③ Collections

You can see the information about collections of the Kobe University Library and access digitized materials via resources such as the repository.

④ Research Support

This menu item provides information useful for learning and about events like guidance.

⑤ Library Account

It provides your own space on the web. You can check due dates and apply for extensions and ILL services via this service. An ID and password distributed by the Information Science and Technology Center are necessary to use this service.

⑥ Search & Find

You can search for available materials by using OPAC and access available databases from the "databases" link.

⑦ Official Twitter

Tweets about the latest or useful information regarding the library.

⑧ Chat Reference

2. Searching for Materials at Kobe University

○ OPAC (Online Public Access Catalog)

You can search materials (Books, E-Books, Journals and E-Journals) in the Kobe University Library. When the book you search for is on loan or only located in a remote library, you can apply for reservation or delivery services via OPAC.

Digital Archive

The databases and e-journals that Kobe University subscribes to are available via the on-campus network. If you want to use them from off-campus, please use the **VPN Connection Service** or **GakuNin Federation** provided by the Information Science and Technology Center.

※ The right to use databases or e-journals may be suspended if you download a large amount of files in a short time. Please do not take a large number of download at once.

3. Using the Account Service

By logging in to the library website with your own account, you can use each library service.

Help

○ Request

Photocopy & Interlibrary Loan (Charged)

If you cannot obtain books and articles you want at the Kobe University Library or on the web, please use these services. You will receive books or copies of articles you want from other institutes. You can also apply for photocopy requests from the remote libraries of Kobe University. When you want to pay charges for this service using public funds, please contact the library section in advance in charge about the public fund you want to spend.

Renewing

You can renew items due date on the web.

○ Check Status

You can check the status of materials you borrow and your lending history. You can also see the status of reserved books, photocopies and interlibrary loans.

○ Others

In addition to the above, you can manage library materials by adding tabs or bookmarks, and receive notifications about new arrival books by using the account service.

Regarding “Custom-made Guidance” and “KULiP: Learning Objects”

○ Custom-made Guidance

The Kobe University Library receives application for Custom-made Guidance, a tailored guidance program that we create based on your needs.

○ KULiP (Kobe University Library Pathfinder): Learning Resources

“KULiP: Learning Resources” is content for supporting your class by introducing bibliographies which will be useful for your lectures.

Please ask the Information Literacy Section about the detailed information and how to apply for the Custom-made Guidance (please select “Library Guidance” from pull-down menu).

<https://lib.kobe-u.ac.jp/en/userguides/contact/>

4. Purchasing Laboratory Possession Books

When you apply for purchase of laboratory possession books, please use 会計業務システム (System for the Accounting Process). Please ask the library section in charge if you have any questions about this system. Regarding subscription to journals, please ask the library section in charge without using 会計業務システム.

会計業務システム (System for the Accounting Process)

● Reception of the Laboratory Possession Books

We will contact you by e-mail after processing your laboratory possession books.
Please make inquiries to the library section in charge about where you can receive them.

● Fiscal Year End Accounting

The deadline is different depending on the budget you use. When you submit a purchase request, please consider the delivery date.

※ We will send e-mail to your official e-mail address distributed by the Information Science and Technology Center.
Please set up e-mail forwarding or similar in advance, if you will not use this e-mail address.
