

# About using power outlets

**Charging your devices from power outlets is allowed in the library.**

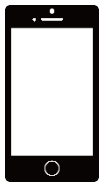

## ■ Allowed

PCs

Tablets

Smart phones

Cell phones

Not allowed

Music players · Gaming machines etc.

## Attention

- Charging is allowed only while you are using the devices for **study or research purposes**.
- Power outlets designated by each library can be used.
- Power outlets cannot be used **only for charging**.  
We do not lend chargers or power cables.

## Precautions

**Do not leave your devices unattended.**

**Please behave politely and do not inconvenience other library users.**

- Do not put your power cables in the way of other library users.
- Be careful about sound leaking out of your headphones or earphones.

Please note that Kobe university Library does not take any responsibility for any troubles such as theft, damage, or accident caused while using power outlets.
