How to Search Academic Information with Discovery

What is Discovery?

The Discovery Service can be used to carry out a metasearch for many kinds of academic information. With Discovery, you can find not only Kobe University Library holdings, but also digital archives or academic papers on external databases. Electronic resources have full-text links.
1. Access

The Discovery search can be used by selecting “Discovery Service” under the search box. You can also access it from the menu of OPAC screen.

Library Website

https://lib.kobe-u.ac.jp/en/

When you use the Discovery search, please enter keywords into the search box and select “Discovery Service”. 
2. Search Rules

You can obtain many results by using the Discovery Service. It is useful to know search rules like the following for obtaining appropriate results.

### Boolean Operators

<table>
<thead>
<tr>
<th>Operator</th>
<th>Description</th>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>AND</strong></td>
<td>You can search for resources that include both A and B.</td>
<td>Space e.g.) 「A AND B」</td>
</tr>
<tr>
<td><strong>OR</strong></td>
<td>You can search for resources that include at least one keyword.</td>
<td>OR e.g.) 「A OR B」</td>
</tr>
<tr>
<td><strong>NOT</strong></td>
<td>You can search for resources that include A but not B.</td>
<td>NOT e.g.) 「A NOT B」</td>
</tr>
</tbody>
</table>

※ "( )" : Change search priority ⇒ 「economic (world OR global)」
: Search for resources that include economic and world or economic and global.

### Wildcards (Special Symbols)

<table>
<thead>
<tr>
<th>Symbol</th>
<th>Description</th>
<th>Example</th>

- Digitized Materials (Electronic Paper, Digital Archives)

When you want to visit the digital contents provider site, Please click on "Digital contents available"

From “Locations:”, you can check the availability of materials.
A “No full-text” paper that is displayed when you check “Expand results beyond Library Collections” may be published in a journal that is held in Kobe University Library. You should confirm whether the paper can be accessed in Kobe University by using “Find it! Kobe Univ.”

You can access the detailed information screen of OPAC by clicking the “GO” icon if you find the journal is available from “Holding Information”. When the journal is not held by Kobe University, you need to apply for “ILL Copy Request” or “Visiting Other Libraries”.
7. On-Campus Limited E-Resources

Databases and e-journals that Kobe University has subscribed to are limited access. However, you can access them from off-campus networks by using “VPN Connection Service” or “GakuNin”.

Please ask a Information Science and Technology Center staff or Library staff when you want to use “VPN Connection Service” or “GakuNin”.
