You can refine the search results by availability, resource types, subjects and so on.

When you want to visit the digital contents provider sites, please click on "Digital contents available". You can also search for digitized materials provided by Kobe University from the "Digital Archive".

4. Pathfinder KULiP

KULiP (Kobe University Library Pathfinder) gives you useful information for your studies such as how to use databases and lists of study-aid resources.

Learning Resources

In this section, there are lists of study references that are recommended and annotated by teachers in charge of each class.

Information Retrieval Methods

This section provides you with lists of useful resources for your studies, research and so on.

Self-Study Resources

You should refer to this section when you do not know how to use databases or write references. This section has manuals for this purpose.

6. Library Account

When you login to the library website, the library account services are available. The library account services are as below.

- Confirming your borrowed books and their due date
- Extending due date
- Applying for InterLibrary Loan
- Checking your lending and return history
- Reserving a room (e.g., group study room).

7. On-Campus Limited E-Resources

The databases and e-journals that Kobe University has subscribed to are limited access. However, you can access them from off-campus networks by using "VPN Connection Service" or "GakuNin".

Please ask a member of Information Science and Technology Center staff or Library staff when you want to use "VPN Connection Service" or "GakuNin".
